

**Robert A. Jaeger**  
University of California, Davis  
Department of Civil and Environmental Engineering  
One Shields Ave.  
1215 Bainer Hall  
Davis, CA 95616

---

**Education**

M.S. Geotechnical Engineering	University of California, Davis, CA Expected 2008
B.S. Civil and Environmental Engineering	University of California, Davis, CA December 2006 with High Honors, 3.81 GPA

---

**M.S. Research (January 2007 – Present)**

Thesis: Alternative Foundation Systems for Offshore Wind Turbines in US Waters  
Advisor: Jason T. DeJong, Assistant Professor, Civil and Environmental Engineering,  
University of California, Davis

---

**Certifications**

Engineer-in-Training (2005)	California license #123446
-----------------------------	----------------------------

---

**Engineering Work Experience**

University of California, Davis Soil Interactions Lab (Summer 2006 – Present) – Responsible for designing a LabVIEW data acquisition program and for maintaining computer networks.

University of California, Davis Center for Geotechnical Modeling (Fall 2005 – February 2006) – Assisted in the building of a centrifuge model and in the calibration of measurement devices.

California Engineering Company (Summer 2004) – Field technician responsible for percolation testing and land surveying of land development and construction projects.

---

**Professional Affiliations**

Phi Kappa Phi Honor Society (2006)

---

**Awards**

Outstanding Math 7B Student (2002-2003)	CSU Chico
---	-----------

This award is given to a student showing excellence in the second semester Calculus course
